

Sundowner Horse Trailers

Uncle Bob's sundowner horse trailer dealers USA & Canada - www.unclebobstrailers.com

Uncle Bob's is a Family owned and operated business originally founded in 1985. We have a huge inventory of horse trailers, horse trailers with living quarters, livestock trailers, stock combo trailers and RV's, both new and used. Uncle Bob's is a dealer for quality trailers from Sundowner, Exiss, Sooner, Bison, Titan and Miley. We also carry a full line of Freightliner Sport Chassis trucks. We will try to provide you with the lowest prices or match prices on identical trailers.

Whether your looking for a 2 horse trailer, 3 horse trailer, or more Uncle Bob's Trailers can help. Available in a 2 and 3 horse bumper pull and 3 and 4 horse gooseneck, priced for today's savvy consumers.

We have many units on the lot and carry horse trailers, stock trailers, livestock trailers, sport utility trailers, gooseneck trailers, bumper pull trailers, sundowner trailers, sundowner horse trailers, sundowner trailers with accessories, sundowner horse trailer, sundowner, horse trailers, horse trailer, sundowners, tack storage, horse trailer with living quarters, sport utility trailer, and covered trailers.

Loading couldn't be easier, calmer or safer. With the rear tack in place, only Sundowner's telescoping rear divider clears the loading area for a truly open doorway. Super user friendly with no pins to unlatch... Or, have a totally open loading area in a matter of seconds with the collapsible rear tack and no rear center post. Operate easily with a horse in hand.

Sundowner Horse Trailers and Features

Under the thick, comfortable rubber mat that your horse stands on is a tough sprayed-on easily cleaned Suncoat™ which covers the entire floor surface and lower portion of the wall. It helps prevent damaging moisture, waste and debris from actually contacting the interlocking aluminum floor structure. The extruded planks provide added strength to prevent the dips and waves sometimes seen in other floors after a few years.

Your horse rides comfortably in a spacious 42" stall, the largest standard stall in the industry. It stands protected between padded dividers, another standard feature which also helps prevent discoloration on light colored horses.

Sundowner Trailer Models

We offer Horse Trailers by Sundowner. Select a model from our website www.unclebobstrailers.com to view specifications and options.
